Editor's Note

Many thanks for your support of the newsletter last year. With the New Year we've decided to go out with the old and in with the new. Starting next month we will use a new format for the newsletter and the distribution will be completely electronic. What does this mean for you? Salinas Bowmen members who have given us an email address, will receive the newsletter directly to your email, and for the rest of you, you can download the newsletter at your convenience from the website every month. If you would like to receive the newsletter directly to the inbox of your email and haven't been before, send your email address to dbledsaw@sbcglobal.net as soon as possible so you don't miss anything!!!

On January 3rd, Don & Tammy Weber put on a great fun shoot at the range with 14 targets. Over 20 people participated in the shoot. They also served a very tasty Prime Rib lunch. It was a great time and we are looking forward to next time.
