## In The Field

With the start of archery deer season there haven't been very many reports of animals being harvested. Hopefully as time passes I will hear some better news. If you have harvested a deer let me know and send me a picture or bring it down to the shop so I can post it in a future issue of our newsletter.

We will be holding the final club carp shoot Saturday August 22nd. We will meet at the McDonalds in Santa Nella @ 7AM and convoy to our shooting location. So far the lead for the contest is Zack Ross with a 13 lbs fish.

Recently I was able to make another trip out to the JCA Big Game Hunting Ranch I was fortunate enough to harvest a Blue Angora Goat with my Longbow. If you have never hunted at the JCA ranch talk to Jim about going out.

## At The Range

The new DR mower has been purchased and should be a great asset to the club on work days. Speaking of workdays the next one will be **SATURDAY AUGUST 29TH @ 0900**. We will be getting ready for the State 900 Round September 12&13TH.

New target material has been ordered to help replace some of our targets that are wearing out. To go along with that Chuck is building a new type of target stand to see if it can help keep the targets from coming apart as easily as they have been lately.

The club has purchased an iron pig for use as a novelty target at future shoots. If you have never shot an iron target it can be fun.

It was decided at the last club meeting that if you find someone else's arrows at the range please bring them to the shop (instead of placing them in the bucket at the clubhouse as in times past) this is to try help get them back to their owners ASAP. Everyone's cooperation with this is appreciated. Thank You

## At The Shop

The 5 spot league is underway with great participation, it is still not too late to join in on the fun every Wednesday and Thursday. League starts at 7PM each night.

# 4th of July Traditional Fun Shoot

The crowd for this shoot was good as we gathered to shoot both 2-D & 3-D targets. Everyone seemed to enjoy themselves. We had plenty of food with lots of leftovers. Since this was a fun shoot there was no high score or low score just lots of laughs and camaraderie. We do plan on having another shoot soon so keep your eyes open for the date.
