## In The Field

To call the weather hot for the third and final carp shoot hot would be an understatement. I arrived at 0630 to find the temperature already at 80 degrees with temps getting close to if not above 100 degrees before the shoot was over. Leon and Zack Ross had arrived prior to myself and we soon departed for our shooting area. Upon arriving we noticed several large carp breaking the surface of the water. It wasn't too long till Ron and Lincoln Laughlin join in on the fun. We shot and had fun till it was soon time to quit. Up until today the largest carp shot was held by Zack Ross @ 13lbs. As I spoke with Lincoln he told me his Dad had shot a carp near the spillway and was bringing it to be weighed. We waited as Ron brought in a good size Carp as it hung on the scale it quickly

passed 13 lbs and settled at 14 lbs thus making Ron the winner of this years Salinas Bowmen Carp Competition. It came down to the last shot on the last fish of the last day for this years winner to be decided. Great job Ron!!

## At The Range

The new DR mower has proved itself to be a valuable asset at the latest work day. I would like to thank all who came out and worked getting the range and 900 round target butts ready for the state 900 round coming up Sept 12th and 13th.

If you have adopted a target this year remember to check it out and see if it needs mowed and weeded prior to the Sep 26 Club fun shoot and BBQ.

I was asked to remind everyone that the access gate to the range needs to remain locked unless we are having an open shoot. It has been found left open several times lately with no one on the range. Thank You for your help in this matter.

## At The Shop

The 5 spot league will be finishing up this month. With a new league starting soon call the shop to see when it will be starting.

# Salinas Bowmen Fun Shoot & Potluck/Picnic

Saturday Sept 26TH

Time: 10AM till ?

Cost: FREE

Our club will be having an end of summer get together at the range. It will be a time of fun, fellowship and food. We will be shooting 3-D marked yardage targets before and after lunch along with the maiden voyage of the "iron pig." The club will be providing the Hamburgers and Hot Dogs. There will be a sign up sheet at the shop for other items to bring.

Make plans now to attend

**Please RSVP to the shop by September 19th**
