

FIELD & HUNTER COURSE LAYOUT

Salinas Bowmen's Field and Hunter course consists of 28 targets:

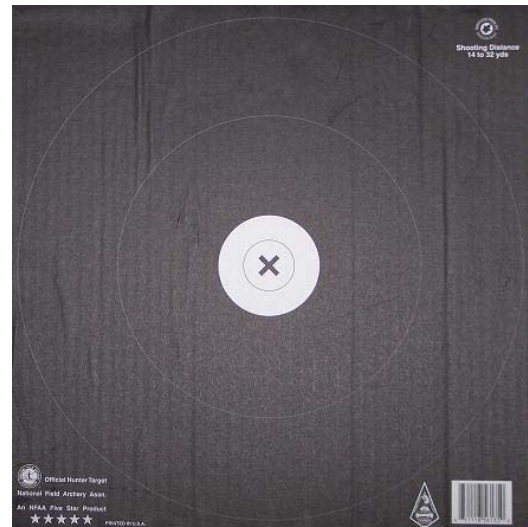

- 14 Field targets shot from the white stakes and indicated by the field faced targets(see target A below)
- 14 Hunter targets shot from the red stakes and indicated by the hunter faced targets (see target B below).

The two halves of the range are identical in yardage and target size, only differing in terrain and order.

Scoring is 5-4-3, with a maximum 20 points per target, 280 per half round, 560 per round, Arrow needs only to be touching the higher score line to count, X's are used as tie-breakers only, the entire inner spot is 5, middle ring is 4, outer ring is 3.
