

## Range Safety Rules

1. Use common sense – Practice safety at all times.
2. No firearms or crossbows are permitted.
3. Shooting at live animals &/or birds is prohibited.
4. Never shoot broadheads at any target except for the white foam broadhead target located between the sight in butts and the 900 round butts.
5. Shooter shall remain sober while shooting targets.
6. Never walk or shoot the range in reverse order. Do not travel cross trail.
7. When recovering arrows, ALWAYS lean a bow against the face of the target butt (this is to prevent another shooter behind you from shooting at the target while you are looking for your arrow)
8. Park in designated areas only and utilize caution when using range roads.
9. Use extreme caution with all flammable materials. Be extra cautious of cigarette butts on the range. Snuff them out!
10. Please do not litter – use trash containers while on the range and at the Clubhouse area.
11. Upon entering and exiting the range it is your responsibility to close and lock the gate.  
The gate is only left open during club sanctioned activities.
12. Any targets that need to be repair need to be reported to the 1<sup>st</sup> Vice President.
